

Introducing the Marquis See Thru direct vent fireplace from Majestic!

With 2160 square inches of viewing area on both sides of the fireplace and the ability to be installed on an outside wall, the Majestic Marquis See Thru fireplace is an incredible addition to any two rooms - indoors or out! View the dancing flames and realistic logs through Clear-View ceramic glass and adjust the accent light using the manual dimmer to set the perfect mood. With the standard Total Signature Command™ Control – including the full function RFSC hand held remote – operating your Marquis See Thru fireplace is simple, convenient and energy efficient. Choose from three firebrick options, optional stainless steel outdoor facing kit and decorative arched doors with hand forged designer inlays to complete your fireplace look and make the Marquis See Thru from Majestic truly your own.
